	21.1	The Purchaser's determination of the responsiveness of a Bid is to be
	31.1	based on the contents of the Bid itself, as defined in ITB 12.
		A substantially responsive bid is one that meets the requirements of
		the Bidding Document without material deviation, reservation, or
		omission. A material deviation, reservation, or omission is one that,
		If accepted, would:
		i. Affect in any substantial way the scope, quality, or

Responsiveness		Bidding Document, the Purchaser's rights or the Bidder's
		obligations under the proposed Contract; or
		b. If rectified, would unfairly affect the competitive position of
		other Bidders presenting substantially responsive bids.
		The Purchaser shall examine the technical aspects of the bid in
	31.3	particular, to confirm that all requirements of Section V,
	31.3	Schedule of Requirements have been met without any material
		deviation or reservation.
		The Purchaser may regard a Bid as responsive even if it contains
		minor deviations that do not materially alter or depart from the
	32.1	characteristics, terms, conditions and other requirement set forth in
		the Bidding Document or if it contains errors or oversights that are capable of being corrected without affecting the
		substance of the Bid.
		Provided that a Bid is substantially responsive, the Purchaser may
		request that the Bidder submit the necessary information or
	32.2	documentation, within a reasonable period of time, to rectify non-
		material non-conformities or omissions in the Bid related to
		documentation requirements. Requesting information or

	32.5	If the value is found fifteen percent more than the quoted amount of the bidder on account of small differences pursuant to ITB 31.4, such bid shall be considered irresponsive in substance and shall not be considered for evaluation.
33. Correction of Arithmetical Errors	33.1	Provided that the Bid is substantially responsive, the Purchaser shall correct arithmetical errors on the following basis:  If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;  If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and  If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.
	33.2	If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be rejected.
34. Domestic Preference	34.1	If the price of goods manufactured in Nepal, are higher up to ten percent than that of foreign goods, a margin of preference up to ten percent to the goods manufactured in Nepal shall be provided in the evaluation of the Bids.  (This Clause shall be applicable only for GoN funded procurement.)
35. Evaluation	35.1	The Purchaser shall evaluate and compare each Bid that has been determined, up to this stage of the evaluation, to be substantially responsive.
and Comparison of Bids	35.2	To evaluate a Bid, the Purchaser shall only use all the criteria and methodologies defined in this Clause and in Section III, Evaluation and Qualification Criteria. No other criteria or methodology shall be permitted.
Till go	36.1	The Purchaser shall determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated and substantially responsive Bid is qualified to perform the Contract satisfactorily.
36. Post – qualification of the Bidder	36.2	The determination shall be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITB 19.
	36.3	An affirmative determination shall be a prerequisite for award of the Contract to the Bidder. A negative determination shall result in disqualification of the Bid, in which event the Purchaser shall proceed to the next lowest evaluated bid to make a similar determination of that Bidder's capabilities to perform satisfactorily.
